AN ERA . . .

Watch
for we shall someday be men
and we will call a world
ours,
a world of tomorrow
built on the dreams of yesterday.

We,
  the children gone by,
we have laughed,
  dreamed,
smiled
loved
then somehow lost
and now we find ourselves
no longer the children
we once were
but not yet
the men we shall be,
realizing that lollipops
and bicycle-scraped elbows
have slowly faded
and merely become
an integral part
of the mirage we call memories,
weeping for somewhere
along the way
we have lost yesterday
and are not quite sure
where to find tomorrow.

DEDICATION

MRS. MARTHA SULLIVAN

Mrs. Sullivan has endeared herself to hundreds of Washington County High School students since joining the faculty in 1968. Unassuming and ever pleasant, she is a tireless teacher and guide. Perpetually deepening her own knowledge with study and research, she brightens the world of mathematics for students in her classroom with analyses and comments that reveal,

"The reason for the temperate will,
Endurance, foresight, strength and skill;
A perfect woman, nobly planned;
To warn, to comfort, and command;
And yet a spirit still, and bright
With something of angelic light."

FROM THE EDITOR

I hope the reflections within this book will be a catalyst for thought both now and in years to come.

Special thanks go to the staff for their faithfulness and continued help to Mrs. Metts, our advisor, who has encouraged us in every way and has worked long hours to help us with this annual.

to Dr. Rushton and Dr. Williams for their cooperation and help.

to our advertisers whose financial assistance has helped to make possible this yearbook.

As we go our separate ways in years to come, we may look back and recall our days at Washington County High. However, we can never go back to this time — this place. So I hope that this yearbook will preserve some of our better memories for future reminiscing.

Beth Rainwater — *Editor*

DEBATE TEAM

Seated, l. to r.: Jeffrey Dotson, Debbie Friedman,* Joe Rawlings. *Standing, l. to r.:* William Todd,* Ridge Jones,* Lamar Jones, Daniel Thomas, Robert Bryan*.

SPONSOR — Mrs. Isabel Snyder

*denotes first team

The significant topic for debate this year was whether it would be better for the state and local or federal governments to control air and water pollution. After attending the University of Georgia Tournament in the fall in which Debbie Friedman, William Todd, Jeffrey Dotson, and Ridge Jones participated, the debaters entered the Region 4-AAA debates and won second place. In Feburary, Cross-X debaters Ridge Jones and Robert Bryan and speakers Daniel Thomas and Joe Rawlings participated in the Barkley Forum at Emory University.

ONE-ACT PLAY

At the time that the Talon went to press, definite plans for the one-act play had not been completed. Miss Kitchen, the sponsor of the Dramatics Club, had announced that the play to be presented was "If Girls Asked Boys for Dates." This one-act play is a delightful comedy in which the dating situation is reversed; girls are required to ask boys for dates.

IN MEMORIAM

JIMMY HICKS

DANNY JONES

"So live, that when thy summons come to join
The innumerable caravan, which moves
To that mysterious realm where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry slave at night
Scourged to his dungeon, but, sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams."

L. Grant,
the success of your
future is determined by the
goal you aim at
Strive for the right one
and your on the right
road.
